

1x Rear stack plate
With:
4x M6 lock nut
6x M6x30 flat head screw
4x M6 washer
4x M8 washer

Rear stacking plate becomes a new stacking rack with screws and MONSTER-SA (Under the nut, need to pad M8 washer and then add M6 washer)

2x Rear connect rod
Fasten it with the screws on the cabinet

2x front connect rod
Fasten it with the screws on the cabinet

1x front stack plate
With:
2x M6X35 flat head screw
Remove the fasten screws from the grille
Fasten with M6x35 screws
